PRAAYER REQUESTS:

Valerie Young – Valerie Young died suddenly of a heart attack in her home in Swaziland on Friday, December 31, 2010. Valerie was the representative from the African region to Swaziland and served in important capacities for many years. She was a great friend to BFC and the Swaziland Partnership and did all she could to help us grow. Please remember Val’s family and the many friends in Swaziland who are greatly missing her leadership and friendship.

Next onsite coordinators for Swaziland - A big role in the partnership is the role of the on-site coordinator. The current on-site coordinators, Andy and Amy Curry, will be returning to the United States in June 2011. Please pray for the future on-site coordinators for God to place a passion in their heart and they would be sensitive and obedient to the call. Please pray for discernment for BFC and for God’s wisdom and direction to be evident to all.
