### PRAYER REQUESTS:

**AIDS and Orphans** – BFC has been praying and working toward how we can come alongside Swaziland with their battle against AIDS and help with orphaned and vulnerable children. After over a year of prayer and preparation we are working toward plans in both of these areas.

- **AIDS** - A Pastoral Couples Conference is being planned for August 2011 that will encourage and equip pastors to talk from their pulpits about abstinence, heart holiness and faithfulness in marriage.
- **Orphaned and Vulnerable Children** – BFC is ready to partner with Nazarene Compassionate Ministries and local congregations in Swaziland for Child Development Centres (CDC) that will reach the neediest children in their community. Please be prayerful as final plans come together for these CDCs and the part that BFC can provide.

**Pastor Gogo (Grandmother) Rebecca** – Gogo Rebecca was the pastor who served at the Ndubazi Church of the Nazarene in the southern part of Swaziland. Her sanctuary was our first Jubilee project renovation with our GO Team in March 2010. Our team loved working with her. One of the days we were in Ndubazi it started raining and everyone went to the very small building where her congregation had been meeting. People sang and started praising the Lord. Gogo Rebecca stood and began to preach about the love of God. Our team was so blessed that they prayed for rain the next day so they could hear her preach again! Gogo Rebecca just passed away recently from asthma. Please pray for the Ndubazi Church as they cherish her memory and find new leadership for this wonderful congregation of people.
