## SPONSORSHIP FORM

**SATURDAY SEPTEMBER 16, 2017**

Proceeds from this event are used by Bethany First Nazarene to provide scholarships to send volunteer teams to Swaziland, to support the Swaziland HIV/AIDS Task Force to provide home-based care to those with AIDS with the goal to delay orphanhood for the children of Swaziland and to support the Swaziland RFM Hospital delivery room to prevent the transfer of HIV to newborn babies. A portion of the proceeds will also be used to benefit the children of Bethany, Oklahoma through the Bethany Foundation After-School Program.

The Swaziland Partnership is a cooperative effort between the Swaziland Church of the Nazarene, Swaziland Nazarene Health Institutions, NCM Africa, Nazarene Compassionate Ministries, Inc., Bethany First Church of the Nazarene, and Southern Nazarene University. Our goal is to reduce the incidence of HIV/AIDS in Swaziland through the development of key spiritual, compassionate and educational resources. [For more information contact www.swazipartners.org.](http://www.swazipartners.org)

Logo deadline for Runners/Walkers shirts is September 1, 2017

# SWAZI 5K BENEFIT RECIPIENTS

## VOLUNTEER TEAM SCHOLARSHIPS TO SWAZILAND

Teams of volunteers travel to Swaziland each year, partnering with the Swazi people to provide medical/dental training, education, equipment, construction and renovation, working with community garden efforts, and loving at-risk children through VBS, sports camps and feeding programs. Scholarships help qualified individuals meet the financial needs associated with making the journey possible.

## SWAZILAND HIV/AIDS TASK FORCE

The Task Force provides home-based care to those dying in their homes of AIDS. They are dedicated Swazis, helping where they find a need. They travel mostly on foot to rural areas to provide medical help, food and personal hygiene products, support and comfort to those who cannot provide for themselves or travel to hospitals for treatment. Some have been abandoned because of their illness and must rely on neighbors to help. Most have no running water or electricity in the home and live on dirt floors. Many are single adults with young children in the home becoming caregivers out of necessity for survival. Your dollars provide food, medicine, and transport for medical treatment to extend the life of the parents to delay orphanhood for the children of Swaziland.

## SWAZILAND RALEIGH FITKIN MEMORIAL HOSPITAL (RFM) DELIVERY ROOM

Over 9,000 babies are born at RFM each year. Without intervention, mothers who are HIV positive will most likely pass the virus to their newborn baby during the birthing process. Education and use of targeted medicines, a sterile environment and birthing supplies can accomplish much to help prevent the spread of HIV through the birthing process. We are partnering with RFM to identify and provide needed items to make this a reality.

## BFC AFTER-SCHOOL PROGRAM

The After-School Program gives children and youth in the Bethany Community a safe place to hang out with their friends. We want students to feel like they belong to our After School family. The goal is that the children who come to the After School Program would feel safe, enjoy being there and grow academically, socially and physically.
